

## VMEA Home School Policy Statement

Approved  
September 9, 2000

Students that attend home schools may participate in VMEA events using the following guidelines for eligibility.

1. SOLO AND ENSEMBLE – All students may participate in this event. Students from home schools without an instrumental or choral program may participate if they are registered by their principal through a director from a participating school.
2. DISTRICT ASSESSMENT – Home schools with a band, orchestra, or choral program may participate in district assessments. All students must be regular performing members of that organization and the director must be a member of NAFME or pay the non-member fee.
3. ALL DISTRICT, REGIONAL, AND ALL-VIRGINIA EVENTS – Only those students who participate in a home school band, orchestra, or choral program on a regular basis are eligible to audition for these events.

All other VMEA/VBODA/VCDA requirements for eligibility and participation apply for each stated event.
